

# HAPPY NEW YEAR AND WELCOME!

**MAXWELTON**  
GOLF CLUB

Dear Valued Members -

We are excited to enter 2019 as the new owners of Maxwelton Golf Club. As the new caretakers of this historic course, it is our desire to continue the spirit of excellence first established by the original Scottish owner and its architect, William Langford, which has been carried on by each of the previous owners of this special tract of land, including the last 40 years under the direction and care of Bob and Rena Carlson.

As we move forward, you are going to see some changes around the club and the grounds as we endeavor to improve our facilities and the overall experience of our members and guests. We are confident that you will appreciate the changes and upgrades that are coming.

As you can expect, these changes, along with exciting new golf carts and upgraded facilities are necessitating some changes in the fee structure associated with membership and play on the course. The fact is that the fees at Maxwelton have remained the same for a number of years now, even as lesser quality courses have raised theirs year after year. With that being said, included with this letter you find information regarding the new membership fees and greens fees. Along with them, you will find information on our New Membership Drive (50 under fifty) which will offer you the chance to receive a \$100 rebate on your membership for every new qualifying member that you refer to the Club.

We are excited about not just maintaining this club, but improving it as best we can for our members and for future generations. You will see that fact on display when you walk into the club house this Spring. It is our sincere hope that you will be as excited as we are about the new look and feel Maxwelton Golf Club has and that you will not only continue your membership, but be encouraged to invite others to join the Maxwelton family!

We are also excited to announce that we have hired our new Golf Pro - Jacob Von Deylen. Jacob comes to us from Eagle Rock Golf Club in Defiance, Ohio and has spent the last 22 years serving and learning in the golf world. Starting out as a bag boy, he worked his way up to Assistant Golf Professional before becoming a Head Golf Professional where he has served for the last 11 years managing the golf course, teaching golf lessons, developing junior golf programs and much more. Jacob is committed to customer service and making sure that our members have the best experience possible. He is going to be an excellent addition to Maxwelton and we are excited to have him. Once Jacob has settled in, he will be reaching out to the Men's and Ladies Associations regarding plans for the upcoming season.

Thank you for your time and feel free to reach out to us with any questions, comments or concerns as we move forward.

John Hull

Don Gunden

Scott Tuttle

# MEMBERSHIP DRIVE 2019

Valued Maxwelton Members -

We are excited to announce a new membership drive for the upcoming season to attract new members as well as reward current members for any new members they refer.

As we look forward to the future of our club, we are making a concentrated effort to add to our membership by launching a 50 under fifty campaign for 2019. The goal of this campaign is to add 50 new members to Maxwelton under the age of fifty. Obviously this does not mean that we aren't looking for members over fifty years of age - it simply means we are looking to expand and diversify the demographics of our membership and attracting younger players to join us is in everyone's long term best interest.

With this in mind, we are offering a discounted rate of \$750.00 to any new members under the age of fifty for 2019, as well as offering our current members a \$100.00 rebate on their membership for every new member that they refer.

If you have any questions about this program, or anything else going on at the course, feel free to contact me. I am really looking forward to 2019 and beyond as I get to know each of the members and help make Maxwelton the best that it can be!

Sincerely,

Jacob Von Deylen
